On April 9th, the Alabama Innovation and Mentoring of Entrepreneur (AIME) Group at The University of Alabama is hosting an all day event showcasing the activities that this group sponsors. The AIME Group’s mission is to advance university intellectual property. To accomplish this mission, AIME is engaged in a variety of activities. The three main areas of AIME’s involvement (prototype development, business plan writing and incubator support) will be presented. Please email an RSVP to Renae Sullivan rsulliva@bama.ua.edu by April 2nd, 2010.

**Agenda**

**Prototype Development:**
Engineering Design Presentations 9:00am-10:30am

Break 10:30am-10:45am

**Incubator Support:**
Incubator Company Presentations 10:45am-12:00pm

Lunch 12:00pm-12:30pm

Poster Presentations of Student Prototype Development Projects 12:30pm-1:15pm

**Business Plan Writing:**
Business Plan Presentation 1:15pm-3:30pm

(The business plan presentations will be made by the five AIME teams that participated in Phase III of the Alabama Launchpad competition. These will be reviewed by a panel of judges. The results will be given during the discussion session.)
